## MISINFORMATION BEING SPREAD SAYS CAPE BYRON POWER

A PROTEST outside the Cape Byron Power Generation site at Condong took place on Tuesday, August 13, with residents demanding answers around whether the company is using wood chips to fire its furnaces. However, the company has responded to the concerns and says there's a "great deal of misinformation being spread" and that the company's fuel sources are 100 per cent federally accredited renewable energy fuel sources. **Read more on page 6.**
